

2. PISMENI ZADATAK

Kibiri is a farmer and a vet in Senegal. He's thirty – five years old. Kibiri and his wife have got seven children, five girls and two boys. They live with Kibiri's father and his brother's family. They all work on the farm. The man and the older boys are often away from home with the animals. The women and girls stay at home with the old and sick people. The women make yoghurt and sell it for food, oil, salt and other things for the home. Kibiri's wife and their daughters walk ten kilometers twice a day to get water. It's hard work but they're a very happy family.

I Read the text carefully and put true (T) or false (F) next to the statements.

- Kibiri's a teacher.
- He's 37.
- He's got nine children.
- His family live with his mother.
- They all work at hospital.
- The women make yoghurt.
- His sons walk ten kilometers to get water.
- They're a sad family.

II Write the questions to the answers in the task I.
